

# CHILLED DISPLAY MERCHANDISER

This refrigerated countertop curved glass display cabinet features ventilated refrigeration for better air circulation and a more stable constant temperature. With an electronic thermostat, digital LED temperature display and LED lamp, this refrigerated countertop display unit is perfect for delis and supermarkets.

Ensure you maintain a 20cm gap between the machine itself and the wall to allow the ventilation system to function effectively. This unit is also not suitable for use directly next to a heat source.

## PRODUCT FEATURES

- Maximum ambient temperature: 32°C
- CFC Free Refrigerant & Foam
- Fan forced airflow
- Auto defrost
- Curved glass
- Finish: external stainless steel and glass
- 1 Year Warranty
